What did you think about your language travel?

I am genuinely happy that I've chosen Sprachcaffe for my language vacation. My classes were extremely useful, because our teacher knew exactly how to introduce the language. I was lucky to have Kevin as my group leader: he fully realised his responsibility and managed to keep us interested in exploring Beijing. I was satisfied with the list of excursions and the timing - it was just ~~what~~ perfect, we've been to all the worth-visiting sights. I can say that Sprachcaffe is the best way to travel if you want to learn the language.

I am offensive & mean 😊
